Project Accountant	Month	2	700	1 400		700		700
Total mise en oeuvre				8 700	21%	7 100	1 600	0
Total opérationnel				42 220	100%	32 925	2 680	6 615
Admin cost 10%				4 222		4 222		0
Grand total				46 442		37 147	2 680	6 615
Répartition des financements					AFPS	37 147	2 680	6 615
						46442		

As we noticed that one of the problems that farmers are facing is the marketing issue we thought of the establishment of a farmers shop (to be like the one we visited in the Alzas) to help farmers market their products.

We also thought of introducing agorecological methods
